

Brenda Maracle Buis

Family Group Conference Practitioner & ODR Practitioner

I am a Mohawk from Tyendinga of the Mohawk Territory, my Clan is Turtle. I have been trained in Mediation and Negotiation from the Stidt Feld Handigroup an affiliate of the University of Windsor, faculty of law. I also have my executive coaching credentials from the Coaches Training Institute and am recognized by the International Coaches Federation. I did Leadership training with J.F.K. University of California. I have a diploma from Loyalist Collage in Social Work Services. I am on the George Hull Roster for Family Group Decision Making; I am also trained in Aboriginal Alternated Dispute Resolution.

I have been doing the Alternate Dispute Resolution work for five years now and enjoy it very much. I take pride in dealing with each family and their individual needs and working with their coordinating reservations, band representatives and clan mothers however it fits for that family. I have worked with both traditional and Christian families and enjoyed both. I work within the principals of the Gifts of the Grandfathers: truth, honesty, love, courage, trust, integrity, bravery and would be open for more learning.....
